Success Stories

Loved by Professionals

Real stories from candidates who turned interviews into offers with DesierAI

Amit

ML Engineer
AI Startup

" Best part is the offline model. My sensitive research stays private while still getting expert-level guidance on neural network architectures.

Research Lead

Arjun

Senior SDE
FinTech Unicorn

" Cracked three FAANG interviews in a row. The real-time AI assistance made complex system design questions feel effortless. Game changer!

3 FAANG Offers

Sanjay

Senior Data Scientist
Global Investment Bank

" The app understood context perfectly during my ML interview. Helped me explain gradient descent concepts clearly. Got ₹65 LPA offer!

₹65 LPA Package

• Auto-rotating testimonials
